"America is another name for Opportunity"

The above quotations express for us our hopes for the boys and girls of C. T. H. S. and confirm our belief in the youth of today.

"By virtue of the authority vested in us by vote of the people, ours is the privilege of providing opportunity via the public school. Today, young people, is yours to grasp that opportunity since yesterday is gone forever and tomorrow never comes, but today is yours."

EMERSON

We, the School Board of Cumberland Township, pledge our continued interest in you and in all your activities: curricular and extra-curricular and wish that you may first merit and then achieve success.

J. S. ELLENBERGER, *President*

ADIEU

So falls the curtain on another school year. Who has not felt the inspiration and ennobling influence of this time in the year? Yet the rejoicing of the seniors is tinged with a deeper feeling of regret when we think we will not be among those who return to the high school next year.

Perhaps there have been days when everything seemed to go wrong; lessons would not come right; work seemed to pile up and in our estimation the teachers were not very amiable. We've all had those "blue" days when we thought we were the most abused people on earth, and yet now that it is all over, how trivial all these things seem, and how much more trivial they will seem to us ten years hence.

We have struggled upward through four years in our old high school, through days that were dreary and hard, through days lit up with laughter and happiness to a final goal. Our day has finally come. Graduation! At this stage, seniors lay aside their work and are ready to reap the rich harvest which they have sown during their four years. They are ready to face the world, armed with knowledge and hope.

So let us remember the good and forget the bad. Let us treasure up memories of the bright and pleasant times so that we may look upon our school days as our happiest days. Let us join the ever increasing rank of our faithful alumni. Come! Let us find our place in this world, and may success be OURS.

SENIOR CLASS HISTORY

We can't always remain Seniors. This pleasure comes only once, and even though some of us would like to hold on to it, eventually we must let it go. And so we have come to the end of our journey. We walk down the Senior Walk for the last time, and lay away our caps and gowns; but we leave behind us four happy and wonderful years.

From the very beginning we were a very active class. We elected as officers our first year; Ed Palone, president; Lawrence Bruce, vice-president; Bill Cihon, secretary; and Mike Korcheck, treasurer. Several of our boys took active part in the different fields of sports with the utmost determination which made them winners from the beginning to the end.

The second year followed and for sophomore officers we elected Mary Williamson, President; Stanley Yandura, vice-president; Ann Medunic, Secretary-treasurer. The social event of the year was a skating party at Fern Cliff Roller Rink.

When we became Juniors we proved ourselves a most active and successful class. We took it upon ourselves this year to sponsor for the first time at C. T. H. S. a "Cinderella Ball" which was in every respect a huge success. Our very able leaders this year were: Bill Cihon, president; Louise Wielkiewicz, vice-president; Carter Dowlin, secretary; and Louann Davidson, treasurer. We were very proud this year of our junior boys: Palone, Cihon, Korcheck, Clarchick, Harrison, Katusa, Prady, McClarren, Cole, Doody, Wozniak, and Morascini who were members of our great football team and who helped in the winning of the County Championship.

Once again and for the last time in our high school career we were started on the road to become the "Ideal" Senior, which was many a one's ambition.

Football season opened and our team was again the county's best—winning all games played. Five of our senior boys: Cihon, Clarchick, Cole, Katusa, and Korcheck made the Greene County first team. We were proud, too, of our other senior members: Prady, Harrison, McClarren, Doody, and Wozniak, who also played a major part in making the team the great team it was.

We chose for our officers this year: Ed Palone, president; Jeanette Grant, vice-president; John McMinn, treasurer; and Charles Pauza, secretary. School went on as usual and we began preparing for the regular senior activities sponsoring several dances, selling Greene Countians, and one extra project was added at the beginning of the year in which every senior participated, that of selling magazine subscriptions.

Our greatest undertaking, the Senior Prom, is yet to come—but it is certain that the senior officers, the prom committee, the seniors and their sponsors will make it a memorable occasion —one that will always be remembered by the class of '49.

The calendar shows May 31, as the end of school days for the class of 1949; but the doors are not closed, for we know that there will be another class tomorrow.

CLASS PROPHECY

It was a dark, dreary day as I wandered on a lonely road. Something in the atmosphere seemed to warn me that a strange thing was about to happen. It was only two in the afternoon but the sky was very dark. Suddenly, there was a flash of lightning that revealed a strange house on a misty hill. All at once there was a downpour of rain and I made a mad dash for shelter to the strange house. As I entered I saw an old, old lady gazing intently into the dancing flames of the fireplace.

I took a few careful steps, approached her, and was about to ask where I was, when suddenly she raised her witchlike finger to her mouth and motioned me to be quiet and pointed to the fire. As I turned, a big flame leaped forth almost touching me. I noticed figures moving about inside the flame. They seemed familiar! I had seen those people before. I edged my way closer and finally I recognized them. This was the class of 1949. Really? Could it be? My, how they changed! This is what I discovered:

THE SENIOR CLASS OF 1949

We are climbing up the ladder,
We are working to succeed,
Gaining knowledge for the future,
And the skill which we shall need.

Now, we're at our height of glory,
In dear old Cumberland Hi,
So we'll get the best that's going,
For our school days will pass by.

When they're gone, they're gone forever,
Time that's passed will ne'er return,
So there's no time but the present,
For the things which we must learn.

Now that we, at last, are Seniors,
We must leave old C. H. S.
But shall learn some greater lessons,
In the school of life itself.

JUNIORS

THEIR "CINDERELLA BALL". . .

JUNIOR CLASS HISTORY

At last we are juniors! We started on our journey through Cumberland in the fall of 1946. After the usual initiation we were considered a part of the school. Our first officers were: Anne Kartley, president; Samuel Warrick, vice president; Jeanne McLaughlin, secretary; and George Zubal, treasurer.

After our freshman year we had a little more to say. Several boys entered sports and many of us were in some activity. For our leaders this year we chose Angelo Valli, president; Jo Ann McCann, vice president; Isabelle O'Laughlin, secretary, and Dolores Sredinsky, treasurer.

As juniors we sponsored our biggest event, the Cinderella Ball. Richie Lewis and his orchestra furnished the evenings music. The gym was gaily decorated in our class colors, blue and white. During the course of the evening Dorothy Edgar was chosen Cinderella; and Edward Schifko, as Prince Charming. This year we are under the able leadership of Steve Korcheck, president; Maurice Black, vice president; Isabelle O'Laughlin, secretary; and Anne Kartley, treasurer.

A few of our boys who have participated in sports are: S. Korcheck, T. Cerqueira, F. Novak, L. Humphrey, A. Valli, G. Zubal, J. Fetsko, E. Krutko, and M. Black.

The seniors are to be commended for the excellent standards they have set, and we, who are following, hope we can successfully uphold their standards. To each we wish the best of luck.

SOPHOMORE CLASS HISTORY

In September, 1947, we entered C. H. S. as Freshmen. Although we thought we were a little smarter and different from the other "Freshies" who had entered in the past, it was proved by the initiation that we weren't. After this merry, but somewhat humiliating ordeal, we were considered a real part of "Dear Old Cumberland." After the initiation we elected our class officers which were as follows: Ralph Palone, president; Paul Krutko, vice president; Betty Whipkey, secretary and Norma Headley, treasurer. We were represented in the Student Council by Wayne Mioranza, Mary Jane Roman and Lou Cinda Butler. They were all very active and faithful.

When we returned to school on September 7, 1948 we felt much different than we did last year; for, now it was our turn to dish out the lipstick and duckings instead of taking it. Now we were really somebodies! We soon fell right in line with the active part of school by electing these officers: Frank Novak, president; Paul Krutko, vice-president; Jane Davidson, secretary and Jack Luxner, treasurer. Lou Cinda Butler, Benny Glover, Sylvester Mondichak and Frank Urbany were elected as representatives in Student Council. Although none of the boys in our class made varsity athletics this year, these boys did get to play in the junior varsity and as substitutes: R. Moore, R. Gray, D. Willis, P. Krutko, F. Novak, D. Conn and R. Bruce.

It is only natural for us to blow our own horn at this time. But we do not want to let slip by our final opportunity to tell the Senior Class of 1949 that we have appreciated their leadership and enjoyed their associations. To each and every one of them we wish a successful and happy future.

FRESHMEN

FRESHMAN HISTORY

Itching! Scratching! Why, yes. Itching to pick up the pen and scratch out a history that has no dates of discovery to be mixed up with dates of exploration.

On the first day of school, a few upperclassmen decided to begin freshmen initiation, but Mr. Venen and the faculty intervened for us. Lucky for the freshmen!

We were lost so many times on the first few days that it's a wonder that we didn't end up in the boiler room for gym class.

On Freshie Day, we really got the works. The girls dressed as boys; and the boys, as girls. Everyone wore signs advertising the next football game. That afternoon we marched down town escorted by the band and members of the Student Council. After our return, the entire student body gathered in the auditorium and each freshman walked across the stage calling out his name.

Football tickets were given as prizes for best dressed girl, best dressed boy and the best sign. The Student Council acted as judges and John Hartley was voted the best dressed boy, and Germaine Harris, the best dressed girl. Robert A. Cutler and Lloyd Boord tied for the best signs.

The week after Freshman Day, elections were held for the purpose of electing class officers. We chose Frank Yalowsky for president, Bessie Lutes for vice-president, John O'Laughlin for secretary and Josephine Medunic for treasurer. We are well represented in the various sports and school activities; and, now that we are a functioning part of the school, we are looking forward to three more worthwhile and enjoyable years at Cumberland.

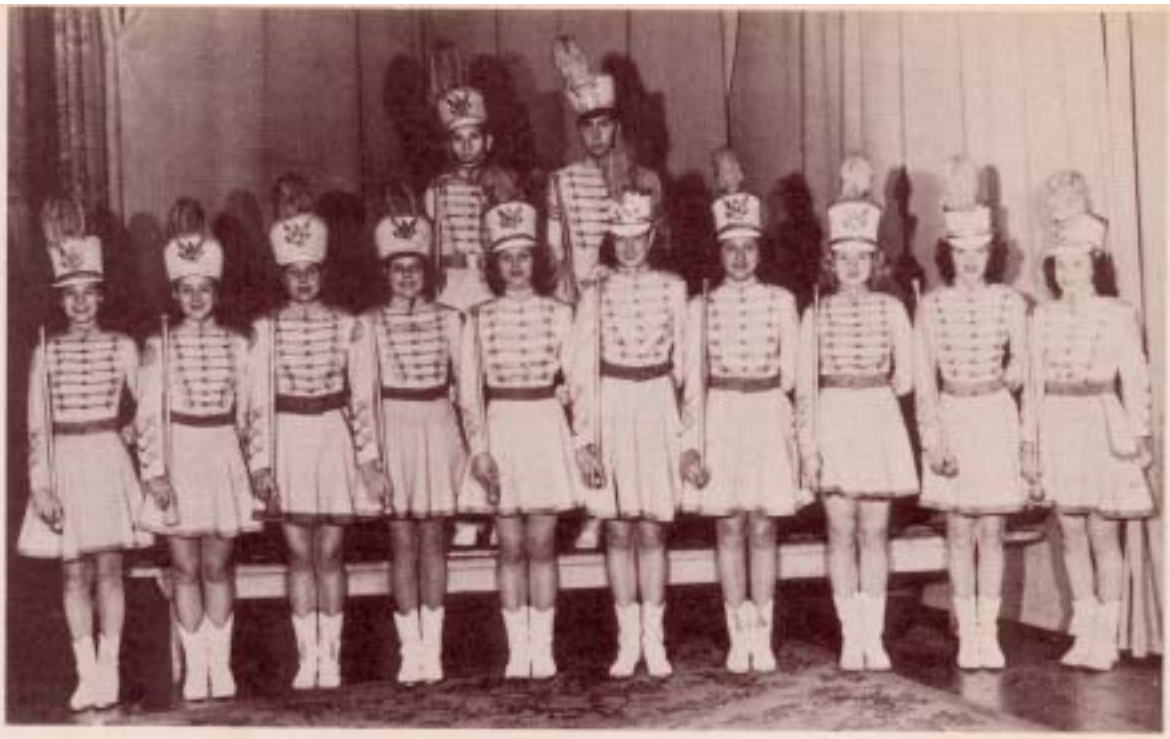
BAND

Under the able direction of our music instructor, Mr. Franks, our school band has become one of which we are very proud. Students and public alike looked forward to the fine and clever performances they gave at both home and away games.

There are eighty six members in the band. Sixty-six playing pieces, twenty majorettes. There is a practice period every day for the band and special instructions are a part of each member's course. New members are added only as lessons are completed.

The band has received many honors in various parades. They have participated in the following events: Pennsylvania Week Parade, and the Republican Rally both at Washington, Pennsylvania, Mummer's Day Parade at Carmichaels, Armistice Day Celebration at Waynesburg, Mitchell Day and Americanism Day both at Uniontown and Memorial Day Parade at Carmichaels. They have become a familiar sight at school and community activities.

Plans are to conduct a Spring tour of neighboring schools in May.



MAJORS and MAJORETTES

MAJORETTES

A very special attraction to our school band are the majorettes who led the band at all parades, and put on special twirling acts at each football game.

They have a regular practice period every day. In order to be a front-line majorette, a girl must work herself through the line; first gun and flag holder, then flag twirler and finally a majorette.

There are nineteen majorettes and two majors in the band at present. The two majors are John Franks and Lawrence Lang and the head majorette is Isabelle O'Laughlin. The four majorettes graduating are Paula Porter, Olive Hollis, Dolores Rudolph and Dorothy Demchak.

New members will be added next year to replace these graduates.

CHEERLEADERS

Leaders of true school spirit are these snappy cheerleaders who have kept up our school spirit at all athletic events this year. Small but mighty describes them well.

Cheerleaders are chosen each year for their cheerleading ability, poise and personality.

The cheerleading squad this year consists of six girls: Estelle Ward, Jean McLaughlin, and the three senior members, Margaret Gency, Juanita Jaynes and Muriel McFarlane.

As a reward for their efforts, each girl receives a sweater her senior year. They are sponsored by Miss Good and Miss Baily.

NATIONAL HONOR SOCIETY

The National Honor Society was organized in 1921 by the Department of Secondary School Principals. Our Society has been a charter member since 1938.

To create an enthusiasm for scholarship, to stimulate a desire to render service, to develop character and to promote leadership in our students is the purpose of our society.

The sponsor of our club is Mr. Kerr. Our officers are: Mary Williamson, president and Jane Lincoln, secretary-treasurer.

Until the members of the class of 1950 are inducted, the present membership consists of nineteen seniors.

At present the club is busy revising its requirements and methods of induction. As our book goes to press a system was being worked out by which a committee of teachers, would help select new members on the basis of dependability, obedience, initiative, co-operation, courtesy, leadership, character, personality and judgment. The list of eligibles are compiled by the society first on the basis of scholarship and participation in school activities.

FUTURE CRAFTSMEN OF AMERICA

The Future Craftsmen of America, a club for shop students, was organized in 1938 by Phillip Young for the purpose of encouraging the develop nent of hobbies, and skills in the crafts.

In 1942 a permanent charter was secured and the club became a member of the National Organization.

During each school term the club plans a field trip and visits one or more vital industries in this area. Spring plans include a trip to Pittsburgh to see one of the major newspapers in production.

Mr. Vail sponsors the club. The officers are: Tony Pfeffer, president; John Medunic, vice-president; Frank Novak, secretary-treasurer.

VARSITY "C" CLUB

The Varsity "C" Club was organized in 1922. This club is composed of boys who have earned varsity letters in football, basketball, baseball and track and also managers who have earned their varsity letter. To earn a letter in football, basketball and baseball depends upon the amount of participation in the varsity games. In track it depends upon the number of points scored and also upon the recommendation of the coaches.

The purpose of the club is to promote teamwork and co-operation among the boys in sports activities and in the school.

The big event of the year was the Pittsburgh-Marquette game which the football players had the privilege of seeing last November.

The officers ofthe club are: Michael Korcheck, president and John Katusa, secretary-treasurer. The sponsor of the Varsity "C" Club is Mr. Cree.

THE GIRLS "C" CLUB

The Girls "C" Club under the supervision of Miss Harriette Baily was organized in 1933. It is the only athletic organization for the junior and senior girls.

To be eligible for membership a girl must earn one thousand points acquired through good sportsmanship, gym work, good school spirit, attitude toward classmates and faculty, and an average scholastic standing.

The club has been very active all through the school term. It sponsored the Girls Intramural Basketball games held at noon, and also took charge of volley-ball and pin-baseball tournaments in addition noon-time dancing. The club held sweater hops and helped to sell refreshments at the football games.

There are thirty-five in the club. Ten of these girls will graduate this year.

Officers of the club are: Dorothy Demchak, president; Dolores Kastura, vice-president; Isabelle O'Laughlin, secretary and Paula Porta, treasurer.

MIKE STAFF

The Mike, our school newspaper, was first published in 1933 and since that time it has continued as a monthly feature. The Mike is published by members of the four classes who are chosen as editors because of their literary talent and interests in the paper.

The Mike contains such features as sports, fashions, alumni news, exchange, gossip and jokes. All work done on the Mike is done by the students.

Money needed for the paper used in the publication of the Mike is raised by the advertising of local merchants in the paper.

The advisors are Mrs. Christopher and Miss Ersagovich.

The following seniors will leave the staff this year: editor, Mary Williamson; artist, Jeanette Grant; typists, Wona Sagges, Martha Barclay, Elaine Hart, Mary Prodan, Dorothy McDermott; advertising managers, Jean Groves, Glenn Prady; production managers, Charlotte Krause, Lou Ann Davidson; business manager, Charles Bizub.

STUDENT COUNCIL

The Student Council is one of our older organizations, but since its beginning, it has had a period of inactivity. Several years ago it was reorganized. It is now sponsored by Mrs. Hildur Baily.

The duties of the Council are: to assist in governing the student body, to supervise clubs and school activities and to be helpful when they are needed.

Each class has a representation of four, nominated by the class and chosen at a general school election. Each senior candidate is eligible for president of the Student Council and those candidates are voted upon by the entire student body. The officers this year are: Bill Doody, president; George Novotny, vice president; Louise Wielkiewicz, secretary; and Betty Burkholder, treasurer.

This year the Council supervised the school election, Freshman Day and the football victory celebrations.

By stressing the need for more mirrors in both boys' and girls' lavatories, the Council was successful in having that necessity supplied.

THE HISTORY OF THE LIBRARY COUNCIL

The Library Council was organized in 1944 by Miss Goodwin, who was sponsor until the present school year. Miss Goodwin then served as both classroom teacher and librarian. This year, for the first time in our school's history, we have a full-time librarian, and we are very grateful for Mrs. Crago, who now makes it possible for us to use our library any time during the school day.

The Library Council was continued with Mrs Crago as sponsor. The club has many responsibilities: namely, keeping the library in order, setting an example for all who use the library, and helping the librarian in any way it can. In addition to the regular council a Probationary Library Council has been organized this year. It is conducted in the same manner as the Library Council. These students will remain members of the Probationary Library Council until they have had one year's training. They may, at the end of their probationary training, be voted into the Library Council in accordance with the constitutional regulations.

The officers are: Dolores Kastura, president; Anna Mosolovich, vice-president; Anna Kartley, secretary; Dolores Jazwa, treasurer.

Only juniors are eligible to become club members. They then remain active members through the senior year.

Members are now working on the dark-room and expect it to be available for use soon.

The aims of the Photography Club are: to give students training in photography, to extend services of the Photography Club to the Cumberland Township High School students at a minimum fee, to encourage photography as a hobby among all students to a professional degree.

FOOTBALL

Two weeks before the beginning of school, in the heat of the summer, forty-four boys reported for pre-school practice. Of this number, thirty-six remained throughout the season to make up the team which was rated at the annual football banquet as the best high school team in Pennsylvania. Too much credit cannot be given to this team which remained undefeated and untied through a grinding schedule of eight games.

The first of these games came after three weeks of practice. With an underdog rating we entered this game with Masontown, but fleet Dave McClarren scooted around the end in the last minute of the game to present Masontown with its first loss in two years.

When the Mikes traveled to East Bethlehem for the second tussel of the year, we found Coach Cree sending in everyone but the waterboys and cheerleaders. Freshman Frank Yalowsky and Mike Korcheck scored two touchdowns each to highlight this neat job of steamrolling.

The Mikes then traveled to Scottdale where they showed superior playing ability to conquer the team which had won nine of its last ten games. The highlight of this game was an 80-yard four down punt by fullback Mel Harrison.

Mapletown was next on the list and the Creemen entered this game highly favored. They lived up to all expectations by literally slaughtering the inexperienced Maples. Johnny Katusa sparked this game by scoring three touchdowns. He is truly a great player.

Point Marion was slated for the first home game of the season. With able Dave McClarren scoring two touchdowns, the Mikes easily eliminated Point Marion from the Class "B" race.

Jefferson came up next. The almost too-confident Mikes entered this game with the wrong spirit. In one of the best games of the season, we were able to come out on top only after trading yard for yard with the mighty Jefferson Rockets.

At this point, the Mikes had piled up a total of 126 points in the Class "B" race according to the W. P. I. A. L. system of scoring.

The following game was with Waynesburg. After a scoreless first quarter, Frank Yalowsky broke the ice by scoring twice to put the Mikes in line for the seventh straight victory.

For the last game of the season, Brownsville traveled here confident of winning. It seems that we had the same idea, and ours was backed up by senior halfback Johnny Katusa. Johnny, imitating speed demon Glenn Davis, returned a kickoff eighty yards for the T. D.

John Katusa, senior, was voted the most valuable player in Greene County in 1948.

On the All-W. P. I. A. L. "B" Team, we placed M. Korcheck on the first team; Wm. Cihon and J. Katusa on the second team.

D. McClarren; T. Cerqueria; L. Humphreys; F. Novak; M. Korcheck; W. Cihon; S. Korcheck; E. Krutko; J. Katusa; W. Clarchick.

Bill Cihon—Co-Captain Senior Position—Guard Height 5'10"

Bill rates as the best defensive player on the team. His excellent team work made him an invaluable part of the squad. Bill, always dependable and alert, was honored by being chosen for the second all-section team.

Mike Korcheck——Co-Captain Senior Position—Guard Height 5'11"

Mike has the distinction of being the best long shot in Section 19. His wonderful co-ordination made him a good team man and key man of the squad. His ability to hit the loop made him one of the high scorers. Mike made a place for himself on the first team of Section 19.

Steve Korcheck Junior Position—Forward Height 6'0"

Steve was one of the best shots on the team, his best being the one-hand push shot around the foul circle. He was an outstanding player all year which was proved by the fact that he made the first team in Section 19. Since Steve is only a junior, we are looking forward to seeing him on the court next year.

Bill Clarchick Senior Position—Center Height 6'3"

Bill who was the tallest man on the team controlled the bank board and tip-offs. He was valuable as pivot man. Bill was high scorer on the team and was also chosen as center on the first All-Section Team.

John Katusa Senior Position——Forward Height 6'

John was steady and dependable and did equally as well on the offensive and defensive plays. Being tall, he was able to control rebounds. John made the second All-Section Team.

Fred Novak Junior Position—Guard Height 5' 11"

Fred was one of our best reserve men and very dependable especially in the last few minutes of the game. Twice Fred came through with winning shots in the last minutes of play.

Ernie Krutko Junior Position—Guard Height 6'

Ernie was another of our reserves and served especially as a replacement for Clarchick. He was high scorer in East Washington and West Newton games and also in the undergraduate tournament. We will see Ernie on the court next year. For him the future looks bright.

David McClarren Senior Position—Guard Height 5' 8"

Dave who is small but very fast is a good team man. His good sportsmanship made him a popular player.

Tony Cerqueira Junior Position—Forward Height 5'10"

Future possibilities for Tony are bright. He was one of the outstanding players in the undergraduate tournament.

Lewis Humphreys Junior Position—Guard Height 5'11"

Lewis, who is a very good long shot offers excellent possibilities for next year's team. He was also one of the stars of the undergraduate tournament.

G. Herbik; F. Novak; J. O'Laughlin; J. Bankovich; G. Burkholder; R. A. Cutler; R. Cutler; D. Willis; S. Mondichak.

The basketball team of the past season, under their coach, Mr. Cree, may be considered one of the greatest in the history of Cumberland.

The Mikes faced a twenty-two game schedule and lost only four games of their regular schedule—the losses being to Brownsville, Donora, and two to California, these all being Class A teams.

The Mikes breezed through their section and gained the title in Section 19. The team, along with their coach, Mr. Cree enjoyed one of the most successful seasons ever turned in on the hardwood floor. The team will lose five members by graduation: W. Clarchick, W. Cihon, M. Korcheck, J. Katusa and D. McClarren.

The Mikes then entered the W.P.I.A.L. play-offs against E. Washington at Donora winning by a score of 65-29. The Mikes then were eligible to meet W. Newton in the next elimination game at Donora. This game they won by a score of 39-37. Fred Novak tossed the winning basket in the last few seconds of play.

This win advanced the Mikes to semi-final play-offs against a highly favored East McKeesport at the McKeesport stadium. Again the Mikes won 46-44 when Fred Novak tossed the winning basket in the few remaining seconds of the game.

The Mikes by virtue of these victories advanced to the finals in Class B W.P.I.A.L. section 7 to meet Oakmont at Pitt Stadium. In this contest the Mikes lost by a score of 42-35. Thus the Mikes completed one of the finest seasons on record for C.T.H.S. The student body and faculty join in congratulating the team and coaches on a splendid season.

First Row: C. Bizub, W. Nichols, D. Christy, E. Palone, W. Cihon, M. Korcheck, F. Novak. *Second Row:* S. Korcheck, M. Harrison, N. Kartley, W. Markiewich, J. Hartley, J. Markiewich, J. Katusa.

BASEBALL

With six lettermen back from last year's team: D. Christy, M. Korcheck, S. Korcheck, E. Palone, J. Katusa, M. Harrison, Coach Cree put a championship team on the field. The Mikes turned out one of the finest records ever to be had at C. T. H. S.

Defeating all of its opponents in section nineteen except Jefferson the Mikes came through with sectional honors. Going farther still by displaying a brilliant bit of baseball at Speedway Park, they upset Uniontown in a thriller of a ball game. Harrison did a fine job of walloping Uniontown 7-2.

Redstone was the Mike's next victim. Joe Markiewich turned in a splendid pitching performance against Redstone allowing them only 4 hits while the Mikes got 9. The score was 4-0, Mikes on top.

Charleroi was tough but the Mikes came through on the long end of a 1-0 score. The Markiewich brothers did the clubbing for the Mikes. Joe got on with a single and brother Walter brought him around with a smashing triple to left center. Harrison went great guns striking out 11 men for the Mikes.

The Mikes put up a good fight to come out on the short end of the 5-4 contest with Vandergrift. Our whole infield fell apart in the fifth inning causing us to lose two big runs. The highlight of the game was a home run by Steve Korcheck. The ball rolled along the right field line all the way to the fence. It was one of those thrillers that brought every spectator to his feet. Vandergrift's thriller came when J. Minarcin hit a home run for them.

Top batting honors for league competition went to Fred Novak with a .516 average followed by Christy with a .423 and Palone with a .414.

TRACK—1948

In the spring of 1948, Coach Siko rounded up his trackmen and started a rugged training program which sent six of our boys to Plum Township to represent our school in the State Meet held there.

The first meet of the season was held at Cumberland with Jefferson and Centerville both coming here to compete. Cumberland scored forty-one points with five first places, four second, and four third places.

The following meet was the Greene County meet held here Jefferson, Waynesburg and Mt. Morris competing with Cumberland. Our boys showed superior technique in this competition. In the final tally Cumberland had fifty-five points, a substantial margin of thirty points over Waynesburg, the runner up. Cumberland placed first nine times, second three times and third once.

In the two final and biggest competitions, the W. P. I. A. L. meet at Mt. Lebanon and State meet at Plum Township, Cumberland was still making headlines. The results of these two events were as shown in the following charts:
